

God's Purpose  
Requires Putting  
Feet to Your  
Faith

**“... the just shall  
live by His faith”**

Habakkuk 2:4 (KJV)

**Our faith kicks  
in when we  
believe beyond  
our ability and  
depend upon  
God's**

**You put feet to  
your faith when  
your actions  
demonstrate  
your dependence  
on God**

**She heard...**  
**Her faith came**  
**alive to**  
**possibilities and**  
**determined what**  
**she wanted**

**She came...**

**Her faith went  
searching for the  
target**

**She said...**

**Her faith locked  
in on the target**

**She pressed in...**

**Her faith would  
not quit once she  
got close to the  
target**

**She touched...**

**Her faith reached  
out to connect  
with the target**

**She felt...**

**Her faith was  
rewarded –  
mission  
accomplished!!**

**If she had not  
put feet to her  
faith mission  
would not be  
accomplished**

**Are you ready for  
a change in your  
life...? Put feet to  
your faith today.**
